

ware·ologie™

**Portable Parallel
Bars on Wheels**

45-Day EVALUATION

Use the bars at your site

BENEFITS

- Reduce risky transfers
- Deliver therapy where needed
- Empower early weight-bearing
- Save time treating patients
- Increase therapy time

Patent Pending

OVERVIEW

Wareologie offers a 45-day Evaluation Program for your team to experience the advantages of Portable Parallel Bars in your own setting. This will allow you to test the integrity, ease of use, and outcomes to confirm the benefits yourself.

Order an evaluation by emailing us at info@wareologie.com or call (248) 478-0945. Wareologie™ will provide a virtual in-service to train your team how to set up and take down in a minute. The Evaluation Program requires a *reimbursable \$1,500 deposit + shipping. We will issue an estimate based on location. After the end of the trial, the deposit can be applied to the purchase of the device or returned.

Deposit refund: If you are not satisfied, a refund will be issued at the end of the trial and return of the bars. Shipping and handling fees are non-refundable. Place an order at info@wareologie.com. See Evaluation Agreement for details.

FEATURES

Lightweight – 68 lbs
600 lbs capacity
Space savings
On wheels
